Who we are...

Lando

Founded in 2002, our charity has been dedicated to saving the lives of vulnerable cats and dogs across Yorkshire. Every year, we rescue hundreds of animals, providing them with a safe haven where they can heal, flourish, and eventually find their forever homes.

At our rescue centre, we see beyond the scars of neglect and pain, recognising the beauty and potential of each animal. We focus on those who need us the most, including:

But that's not all...

In addition to rescuing homeless and abandoned cats and dogs, Rain Rescue also supports pet owners in crisis who need to rehome their beloved pets. We extend our reach into the community, offering help where it's needed most.

From providing pet food to food banks, assisting with veterinary costs, and much more, we are here for both pets and their people. Through every storm, we'll always be there, offering support and care when it's needed most.

OUR VISION

We dream of a future where every pet has a loving, responsible home and never knows the fear of being abandoned.

At Rain Rescue, we are committed to being a trusted leader in animal welfare and community support, working tirelessly to give dogs and cats the second chances they deserve.

OUR MISSION

Our mission is to reduce the number of unwanted or homeless pets in the U.K by:

providing a safe and comfortable environment, for animals in need to be rescued, rehabilitated and rehomed.

neutering animals, campaigning for change; and supporting owners to keep their pets. This is primarily through the provision of affordable or free veterinary treatment, and holistic support for families in need.

reducing the overpopulation of stray cats, and reducing suffering amongst these animals, by neutering, rehoming where appropriate and performing essential veterinary care.

tackle the root causes of pet relinquishment head on, to reduce the demand for rescue services.

Where your money goes

With the generous support of compassionate individuals like you, we are able to save the lives of hundreds of cats and dogs each year. Every donation, big or small, directly impacts these animals in desperate need. Thanks to your kindness, we can provide them with the care, love, and attention they deserve, giving them a chance at a brighter future.

Many of these animals come from difficult backgrounds, but with your help, we can rescue, rehabilitate, and rehome them, ensuring they find their forever homes. Your support truly makes a difference, and we couldn't do it without you. Thank you for being part of this life-changing mission.

Support Us, Save Them

Rose's story is one of hope and recovery. When she arrived at Rain Rescue as a tiny, motherless kitten, she was struggling to thrive and gain weight. Concerned for her future, she was placed with Willow, a foster mum who accepted her as one of her own. With Willow's care, Rose quickly started to thrive, and gaining strength.

After moving to a foster home with a dedicated volunteer, Rose's health improved, and she soon met her forever family. Rose is now thriving and unrecognisable from the tiny kitten she once was. Her recovery was made possible by the love and care of our amazing team, and your fundraising, we can help more animals like Rose get the second chance they deserve.

Little Hands, Big Hearts, Huge Impact!

Fundraising In The Work Place

Workplace fundraising boosts morale by bringing employees together for a common cause. It fosters teamwork, creates a positive atmosphere, and gives staff pride in making a difference. Support Rain Rescue at your workplace today and make an impact while having fun!

Dress Down Day. Take the tie off and have a dress down day; charge people to wear a onesie to work or don some fancy dress and have a collection around your office.

Payroll giving. Payday. It's the best day of the month. Instead of celebrating by hitting the shops or the pub, why not share a little of that joy by making a regular contribution through your payroll? Add Gift Aid too for an extra donation without you paying more!

A 'Bleep Bleep' day. Swear boxes in the office or social club are great money earners. Every time somebody curses, pop in a pound. If people's worst crime is not swearing but doing something else that causes offence, then get them to pay for those misdemeanour.

Golf. What better way to network or get together with your workmates than holding a Stroke-play or Stapleford tournament?

Donate a day's wages. Choose one of the 365 days in the year and donate your wages to charity, it's amazing how good it feels!

Bake A Difference. Forget those calories! Get together and get baking; provide a table of treats for your workmates.

Car Wash. Set up a car wash station at the office and have employees donate to get their cars cleaned.

Host A Collection Box

Collection boxes bring in vital funds for our cats and dogs, supporting their care and well-being with limitless effort! Simply pop one on your reception desk, staff room, or any high-traffic area, and encourage people to donate what they can. Every little bit helps make a big difference in the lives of the animals we rescue. Request a collection box [here](#).

What is Gift Aid?

Gift Aid is a government-backed scheme that allows charities to reclaim tax on donations made by UK taxpayers. This means that your donations can be worth 25% more to us at no extra cost to you! By Gift Aiding your donation, we can claim back 25p for every £1 you donate to Rain Rescue.

If you're a higher-rate taxpayer, you can also claim extra tax relief. For those paying tax at 40%, that works out as an additional 25p for every £1 donated. For the highest-rate taxpayers (paying 45%), you'll receive an extra 31p for every £1 you give.

This extra income really helps make a huge difference, so if you're a UK taxpayer, please don't forget to Gift Aid your donations – it's an easy way to do even more for our rescue cats and dogs!

Fundraising the Fun & Legal Way!

Raffle or Lottery

- You can't sell tickets to anyone under 16. You'll need to apply to your local authority or council for a licence if you want to run a public raffle or lottery.
- You don't need a licence for a private raffle or lottery, as long as tickets are only sold to staff at a workplace or members of a club.
- You don't need a licence for a raffle at a social event, as long as the raffle isn't the only reason for the event, you sell tickets where the raffle is held and you draw and announce winners at the event.

Entertainment

- You might need a Public Entertainments Licence from your local authority if you're organising entertainment (like music, dancing or a film screening) at a venue that doesn't already have a licence. Licences are free for charity events.

Age Limit

- Anyone under the age of 16 must have parental permission before collecting money.

Health & Safety

- To ensure safety during fundraising events, conduct a risk assessment and have measures in place for emergencies.
- You can't use Rain Rescue's public liability insurance to cover your own events.
- Rain Rescue can't accept any liability for any event you organise, so it is important to arrange appropriate insurance cover.

Food Events

- Anyone involved in preparing and serving food should have a basic knowledge of food hygiene.
- If you plan to sell alcohol, make sure you obtain the necessary alcohol license from your local authority.

Insurance

- Venues usually have their own insurance, but check whether the public are covered.
- You can't use Rain Rescue's public liability insurance to cover your own events.

Let's keep it fun, keep it safe, and together,
we'll put the **FUN** back into fundraising!

Nessa's Journey to a Happy Ending

When six tiny Huntaway cross puppies arrived, they were weak, frail, and barely able to lift their heads. These puppies should have been bounding around, tails wagging and eager to explore, but instead, they were heartbreakingly underweight, their little bodies showing every rib, and their bellies swollen from a severe worm infestation. They could hardly summon the strength to lift their tiny heads.

We were able to nurse them back to health. Slowly, their strength returned, and they began to show their playful, curious nature. Five found their forever homes quickly, but sweet Nessa was left, still waiting for hers.

We showered Nessa with love, but what she truly needed was a family of her own. No puppy should have to grow up in rescue. After weeks of waiting, a wonderful family reached out, and it was love at first sight. Watching Nessa walk away with her new family, her tail wagging and her heart full, was pure joy.

All the puppies were fragile and in need of a second chance.

None of this would have been possible without our amazing fundraisers and supporters. Your generosity makes it possible for us to provide the care and love that animals like Nessa need to find their happy endings. Without fundraising, we wouldn't be able to carry out this life-saving work – we rely on donations to continue.

We need your help to keep making these transformations possible. By fundraising for Rain Rescue, you're giving more animals the second chances they deserve. Every event you organise and every penny you raise directly impacts the lives of animals in need. Let's create more happy tails like Nessa's together!

Dreams come true for animals like Nessa, all thanks to your support.
